You're my sister, my  
mentor, my forever friend...

Will you be my Maid of Honor  
'til the very end?

I couldn't wish for anything  
more than you by my side on my  
special day!

Love, Gabbe

Will you be my Bridesmaid?

special day!

special day!

We've shared so many  
unforgettable  
memories growing up,  
and now I can't  
imagine making new  
ones without you!

Will you be my Bridesmaid?

I couldn't wish for anything  
more than you by my side on my  
special day!
